

## ▶ WHAT IS MCET?

MCET is a state-wide non-profit organization that provides services to support the formal and meaningful involvement of consumers in the evaluation and continuous quality improvement of the management and delivery of specialty system supports and services.

## ▶ WHO IS MCET?

MCET is consumers in compensated roles who are trained and supported in performing formal evaluation and quality improvement efforts.

## ▶ WHY MCET?

MCET offers communities and public and private organizations an effective and efficient opportunity to build local capacity and competency for consumer delivered evaluation efforts.

## ▶ HOW DOES MCET WORK?

Given MCET's mission to contribute to the development of local consumer capacity and competency in their involvement in evaluation and quality improvement efforts, consumers need to be "at the table". MCET also desires to facilitate an informed partnership among consumers, managers and providers. MCET will assist local community systems and organizations in developing methods for organizing consumer and non-consumer stakeholders in evaluation efforts in a manner that reflects the uniqueness of each community.
